

How far a drop of oil  
took one company

Welcome to Nynas

# A different kind of oil company

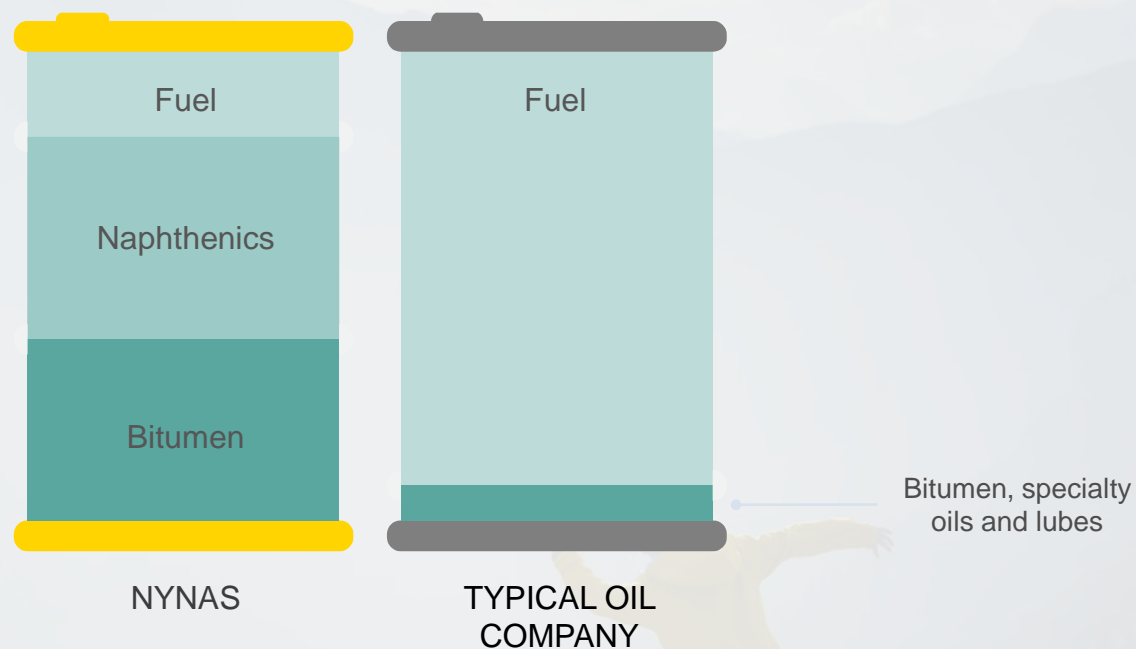

When you have a magical substance that can dissolve, purify, lubricate, cool, insulate, bind and protect, why would you burn it?

Nynas is a different kind of oil company.

# Making the most of every barrel

Together, we bring value to life

1.25 billion

people today use Nynas  
oil-assisted electricity

15 times

around the globe on roads  
paved with Nynas bitumen

215,000,000

drivers on the road with Nynas oil in their tyres

7,500M

diapers per year made  
with Nynas oil

18 million

cars manufactured every year  
with Nynas oil in their grease

1.6 billion 360 million

newspapers printed with  
Nynas oil every year

square metres of road resurfaced  
with Nynas bitumen yearly

# Naphthenics: A world of possibilities

Insulating and cooling

Dissolving

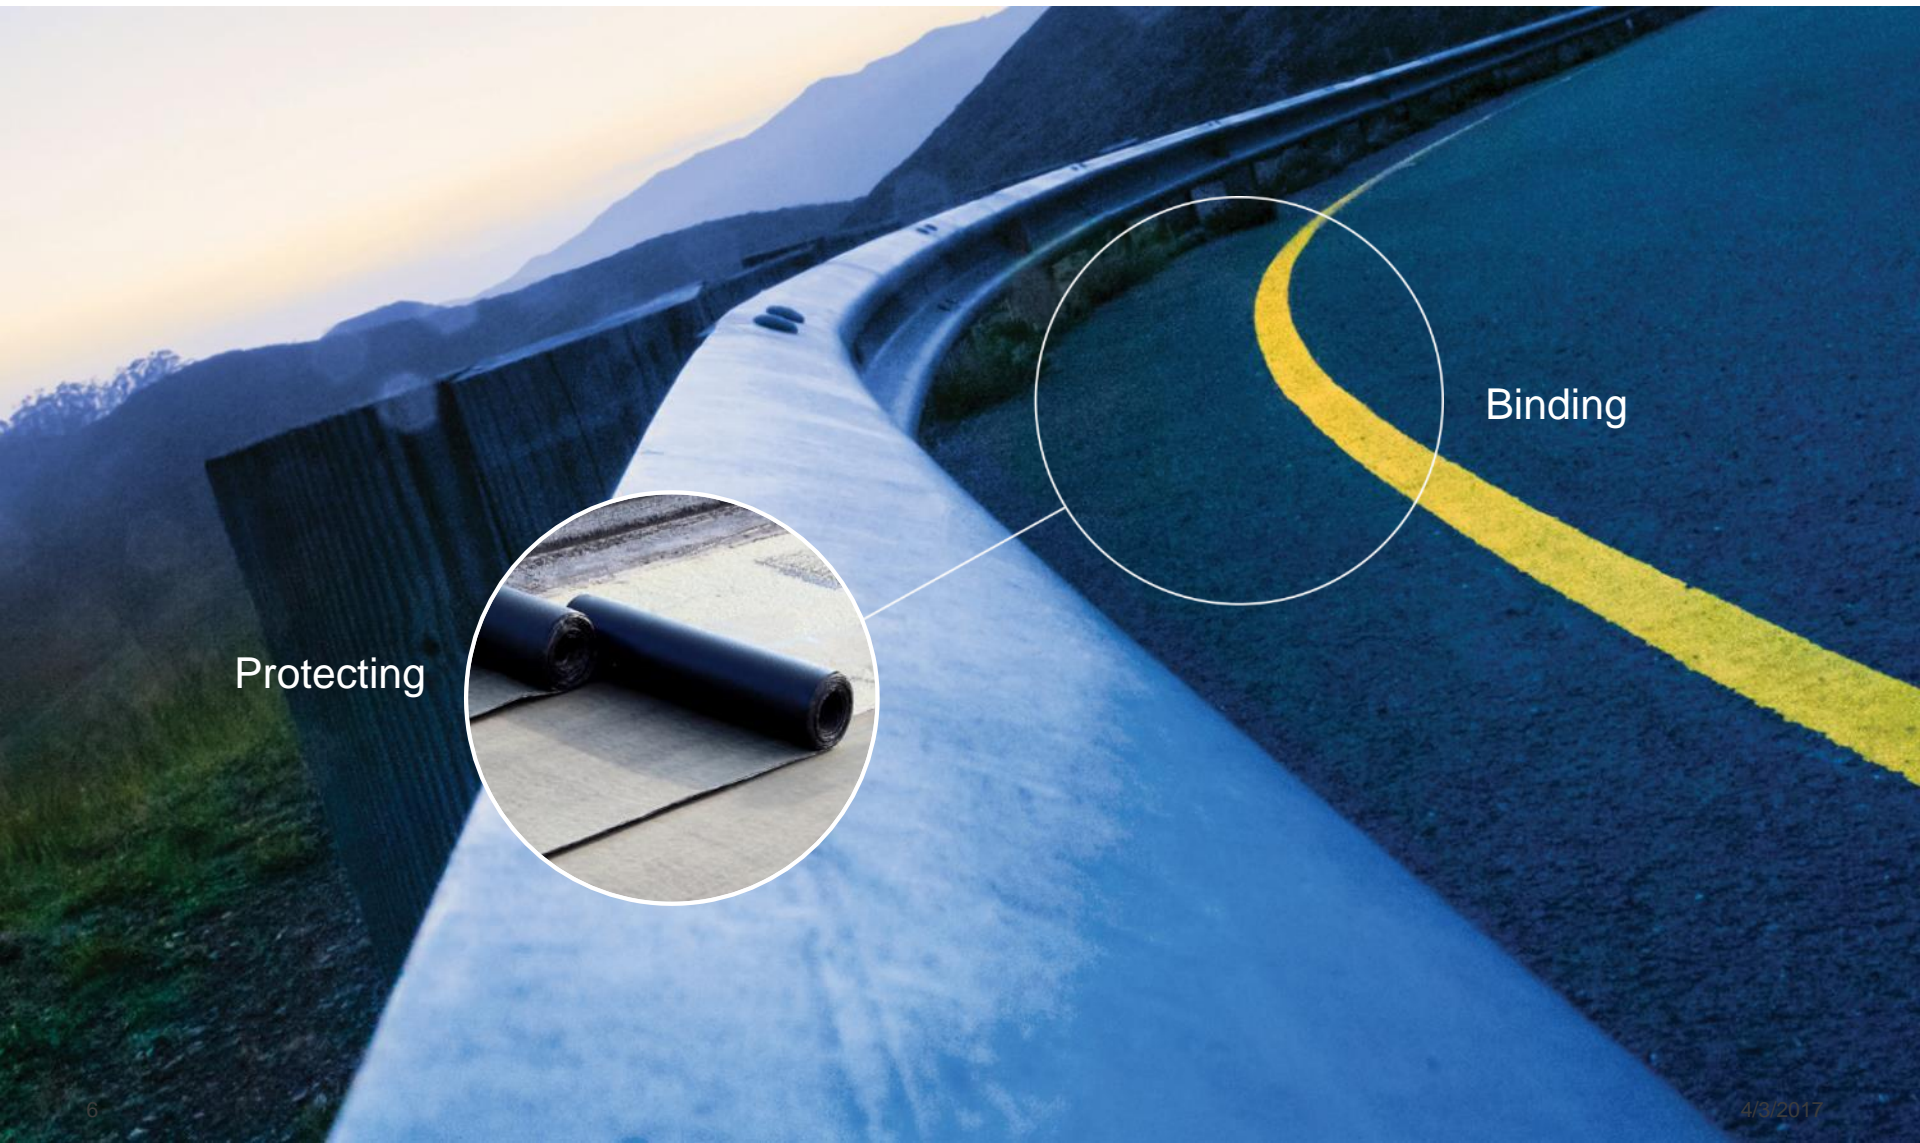

Purifying

Lubricating

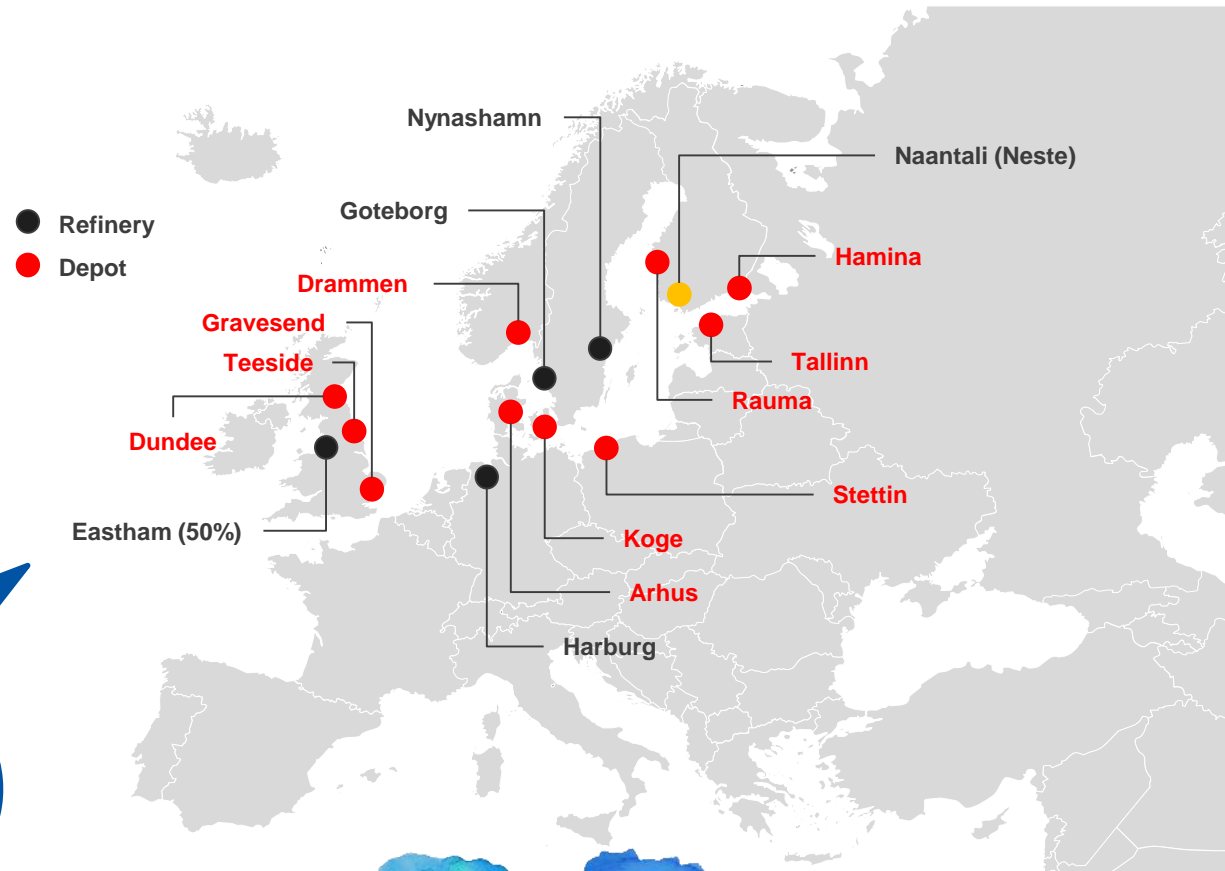

# Bitumen: The road to performance

# Where is Nynas Bitumen today?

The Nynas refinery and depot network is a reliable source for quality bitumen

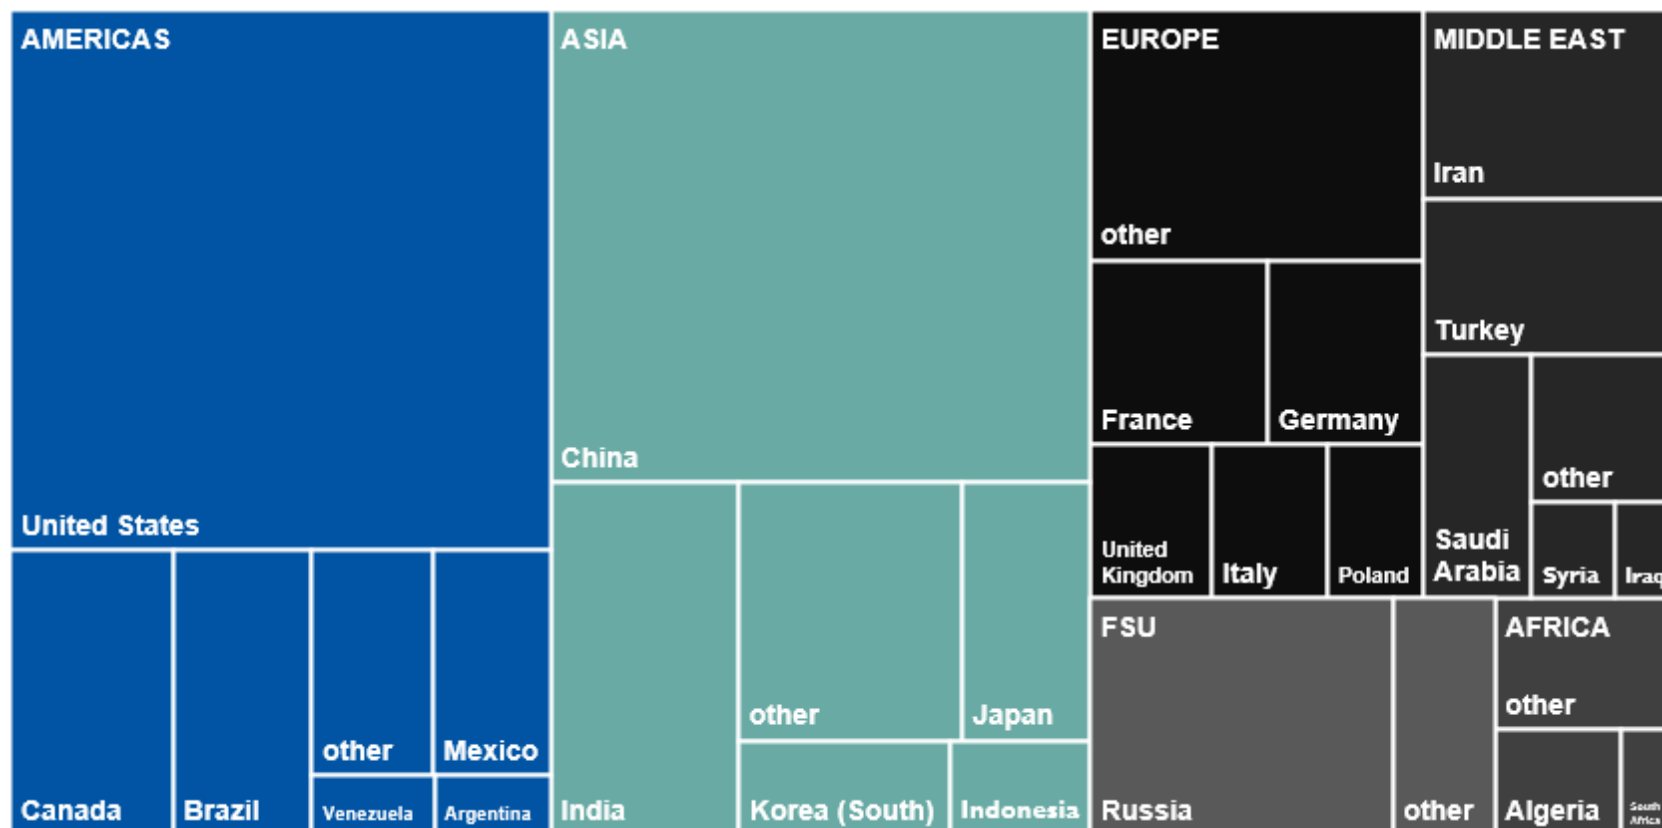

Nynas Bitumen

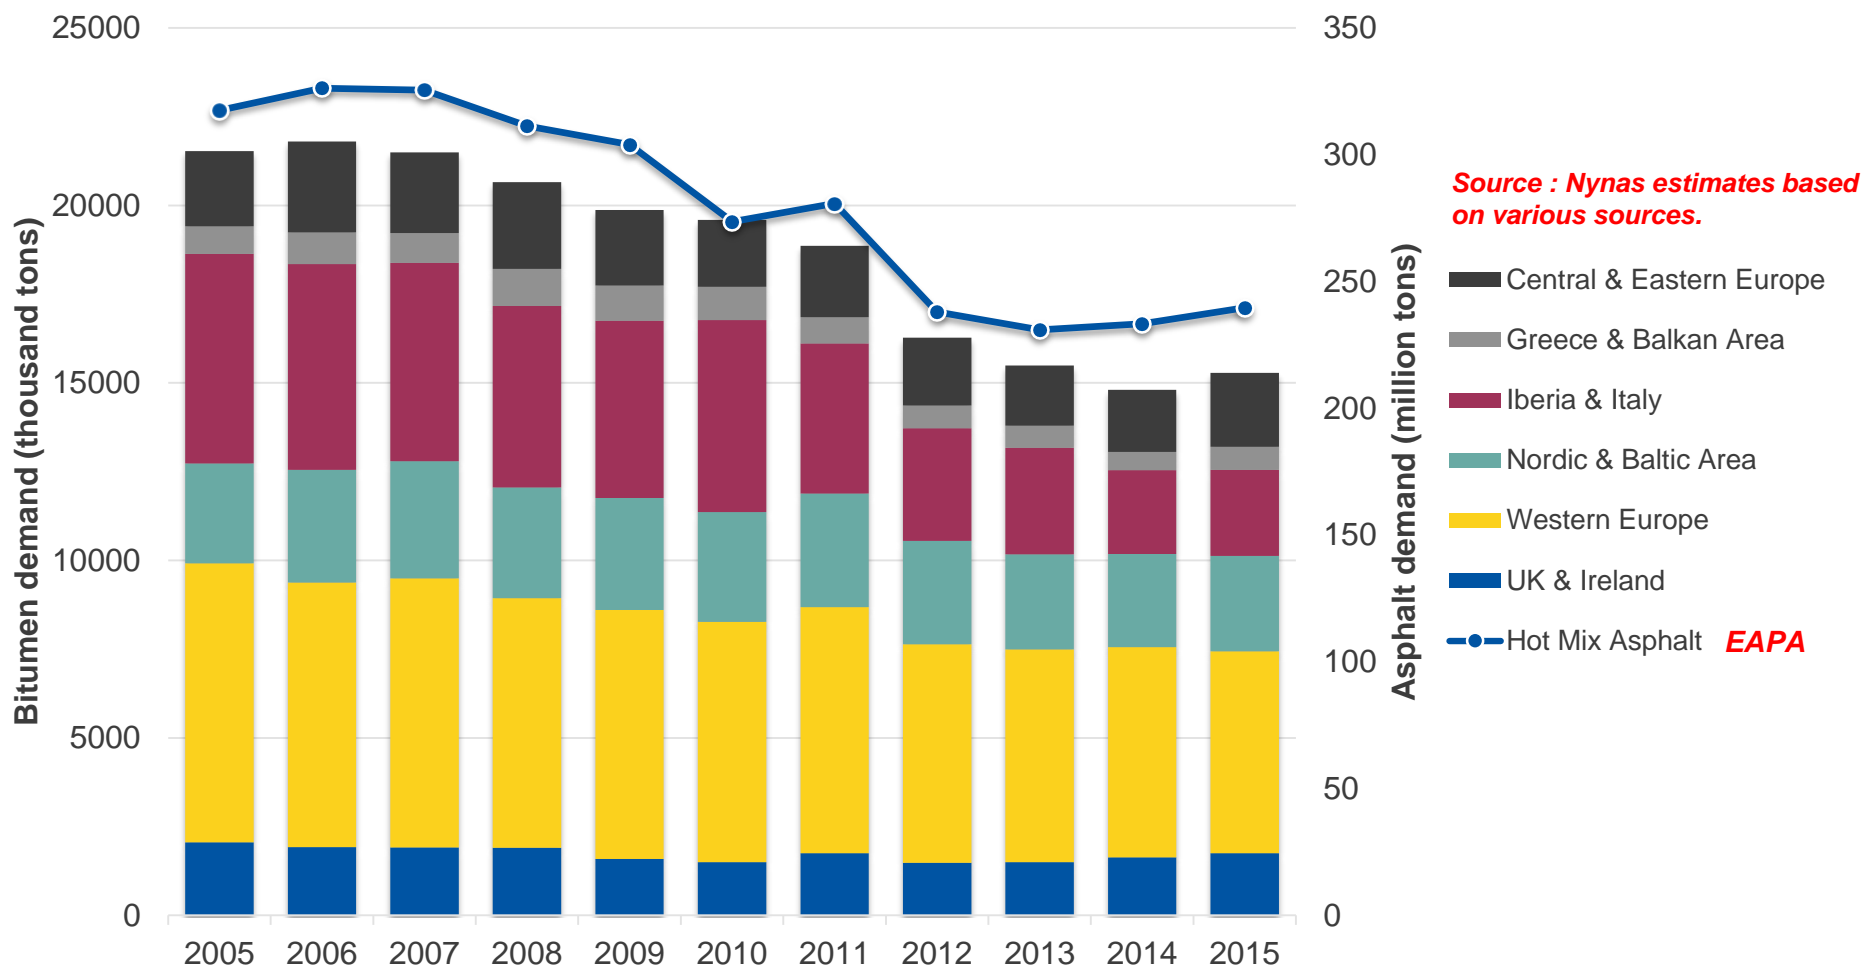

@NynasBitumen

# World bitumen demand ~104 million tons

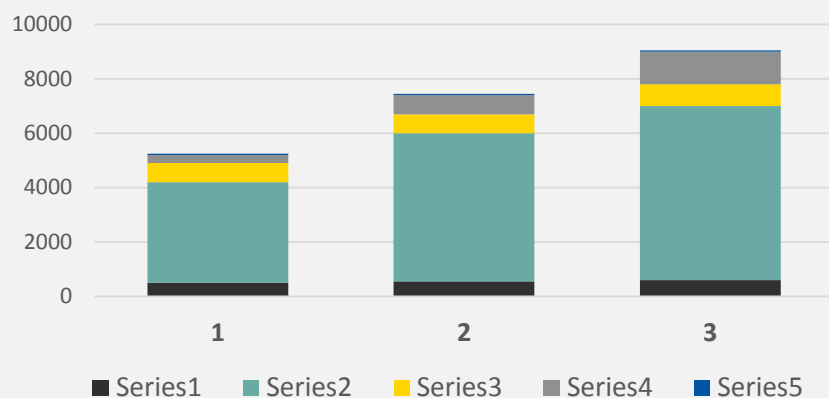

# Bitumen demand – Hot Mix Asphalt

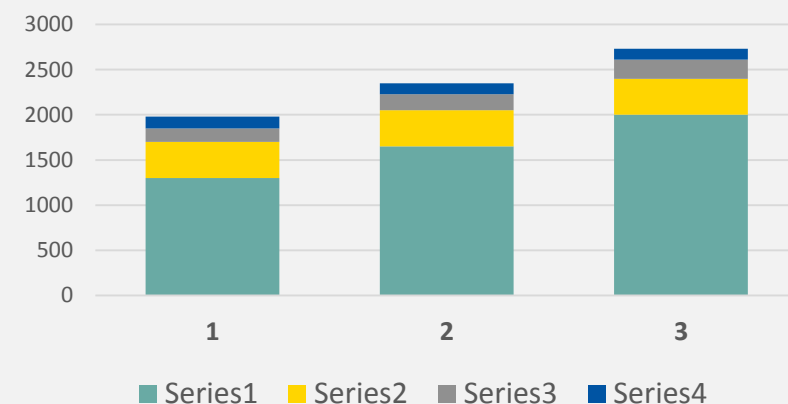

# Traffic Past 1995 – Present 2015 – Future 2040

Passengers and Goods – pounding of our roads

## PASSENGERS (Gp km)

## GOODS (Gt km)

## Other Change (Climate, Vehicles, Road layout, ..)

PERFORMANCE

# Performance Programme

Aligning our offer to our customers' requirements

## **TAKING OIL FURTHER**

We take oil further to bring lasting value to customers and the world we live in.
